Greg, Vicki,

I am attaching several documents for your review prior to our 1230 conference call. They include:

- 1) chart that compares call service for the Cobb County Police Department to the Red Roof as compared to other hotels on Windy Hill Rd. 2013-2016
- 2) an internal memo that we have submitted to the County Attorney to seek abatement of the Red Roof
- 3) an Excel list of offenses at the Red Roof in 2016
- 4) a list of arrests in 2016
- 5) an Excel list of incidents year to date for 2017
- 6) photograph of drugs and a gun from an arrest last week

The following is an email I received from one of our shift commanders regarding a recent incident where we needed Mr. Patel's assistance:

Sirs,

Early Wed morning, 4/27 at 0330 hrs, we responded to the report of a kidnapping at the Red Roof inn. It did not make an events email since it was determined to be a false alarm. During our initial investigation, Sgt. Buckalew had radio contact Mr. Patel for his assistance in providing access to the surveillance system. Dispatch advised that Mr. Patel was making every effort he could to avoid responding to assist. Sgt. Buckalew was able to convince him to provide the security guard the location of the surveillance panel, allowing us to review the incident and determine there was not a kidnapping.

One would think that in his position, he would desire to be more helpful.

Though it is only our conjecture, with no evidence or supporting statements, but this appeared to be a prostitute who made two appointments at the same time.

Lieutenant Tim Nelson

As you can tell from the documents things are a bit better this year than last but we still have significant problems and we need your help to either close the Red Roof (which I prefer) or get the franchise holder on board with his role in crime prevention. Even last week we made a significant arrest of an individual who possessed narcotics for sale, a handgun and was working with a prostitute. This week we had a suicide. Clearly the franchise holder is allowing the Red Roof corporate brand to be held in disrepute.

MEMORANDUM

TO: Interim Chief C.T. Cox

FROM: Lieutenant T.A. Nelson

THRU: Deputy Chief R.L. Prince
Major J.D. Adcock
Captain B.E. Little

SUBJECT: Red Roof Inn-Violation of Public Safety Nuisance- Sec. 86-23 thru 29

DATE: February 3, 2017

The following memo and attached documents were prepared so that you may consider the enforcement of Cobb County Ordinance Sections 86-23 thru 29 (Public Safety Nuisance). Based on the following information and supporting documents, there is reason to believe that a public safety nuisance is being maintained at this business, in violation of Sec. 83-26. Should you agree with this assessment, it is requested that this be forwarded to the Public Safety Director for review with the County Attorney's Office to present a notice to the property owner in accordance with Sec. 83-27 (a).

- **Identified Property:**

Red Roof Inn 2200 Corporate Plaza, Marietta, GA 30067

- **Owner:**

Varahi Hotel

- **Recognizing the Problem:** The Red Roof Inn has been known and recognized by officers who patrol Precinct III as a public nuisance property, requiring daily responses to calls for police services. The average number of documented police responses and patrols at the Red Roof Inn was 552 per year in each of the last four years. The average number of police responses and patrols at the other five hotels in the immediate vicinity was 91 per year in each of the last four years. In 2016, Cobb County Police Officers responded or patrolled the Red Roof Inn 497 times. Not all responses or patrols resulted in the need for a police report; however, 81 incidents were reported and investigated. The excessive need for police services at the Red Roof Inn takes away public safety resources that are needed to serve other properties in the area. For these reasons, supported by the following criminal statistics, there exists a need to evaluate an alternate solution.

- **Documentation of Criminal Activity:**

In the last 12 months, Cobb County Police Officers have responded to the Red Roof Inn and made 38 custodial arrests, 21 of which were felony arrests. Of those arrests, the majority of them constituted a violation of the Public Safety Nuisances Ordinance Sec. 83-26. (Source: SunGard ONEsolution RMS system.)

The latest arrest made on December 15, 2016, included the involvement of admitted prostitution with multiple females in multiple rooms. That case resulted in two physical arrests for Pimping and Possession of Ecstasy. Such activity should be noticed and recognized by the owners of the property.

The following is a list of charges by arrest and or citation made at the Red Roof Inn in 2016 that were in violation of Sec 83-26.
